He is also getting pricing for line-stripping the paved roads, something that is done approximately every five years. The tractor hydraulic pump housing split and needs to be repaired. Unfortunately, the warranty ran out last year. He will be taking it for repairs tomorrow. Dan also reminded the Selectboard that the Town had planned on buying two trucks this year. However, only one was purchased this spring with the second (a used one) to be delayed until the fall. Last week Dan viewed two used trucks. Dan shared the details with the Selectboard. There was a brief discussion between the Selectboard and Dan.

IX. New Business

a. Brattleboro Development Credit Corp Update

(15 minutes)

- i. Jen and Adam introduced themselves and wanted to update the Selectboard on what they are doing at BDCC. Jen gave a brief update on their high school programming and that a lot more activities will happen as they recently hired a staff member to lead the P3 program. Richard asked about the organization's mission. Adam noted BDCC has a contract with the state to work on economic development in the region. He also explained SeVEDS beginning and how it works separately and in partnership with BDCC. There was a brief discussion with the Selectboard about the difference between the organizations. SeVEDS just completed the renewal of their five-year economic development plan.

One growing problem is succession planning for local businesses in the region. Jen noted this is both in terms of funding for them to provide services to those looking to retire, but also finding the skilled younger people to take over these businesses. She also noted a lot of what they discuss is available in additional materials from BDCC and SeVEDS. The Southern Vermont Economy Project also recently received new funding. There was some discussion between the public present and Jen and Adam. The Selectboard had a few brief questions for them as well.

b. Broad Brook Community Center Update

(10 minutes)

- i. Don and Jaime introduced themselves. Don presented what they have been doing at BBCC since the winter and that they want to "check-in" with their partners quarterly. Jaime presented more of the day-to-day activities that have been happening this summer. There was a brief discussion between the Selectboard and Don and Jaime.
- ii. **ACTION** Peder to send out memo to submit usage dates by Town commissions, etc. to Jaime by December at the latest for planning purposes.

X. Discussion/Updates

a. Emergency Management Conference

(10 minutes)

- i. This past Friday and Saturday, Peder attended the annual VT Emergency Preparedness Conference and shared details about the weekend with the Selectboard.
- ii. While Sheila is temporarily still in the role of Guilford EMD, this is something that Peder thought the Selectboard needs to address as she will likely also step down from. Peder also began a conversation about this with Rich Cogliano our VEM Regional Coordinator and will also have one with Sheila. If Sheila does indeed wish to step away from this role as well, Rich felt Peder is the best candidate as the one with the most amount of training and complementary role in the Town. He recommended the Selectboard consider him in the role once she steps away. The state has also started a course for people to become certified EMD's and Peder requested the Selectboard consider him taking the course. It is 70 hours of training
